

Recommended Use

Daily: Apply 1 to 2 pumps to face, neck, and decolletage in both the morning and evening as part of your daily skincare routine. Follow with your favorite moisturizer or oils.

With Red Light: Apply 1 to 2 pumps to face, neck and decolletage prior to red light treatments to enhance results

Target Skin Type(s):
Normal, oily, combination, sensitive

Customer Testimonials

"I love the Ageless serum as a part of my daily skincare routine! I apply it immediately after washing my face and let it absorb for a minute. I feel like it helps smooth my skin and prepare it for my creams, primer and foundation. It helps my skin feel hydrated and fresh all day, even on the days that I wear makeup."

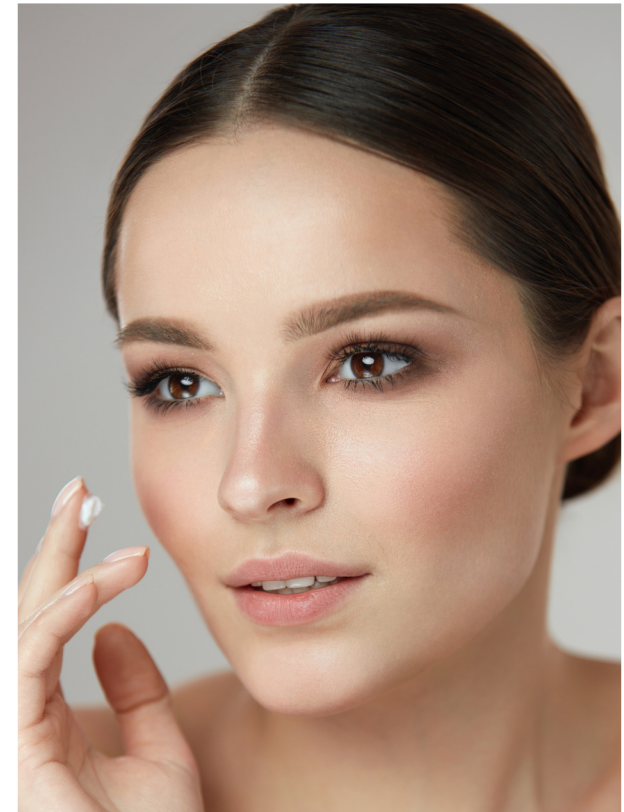

"The formula is nice and light, absorbs quickly into the skin, and has a very silky luxurious feel! This has become my can't live without product!"

"I love using the Ageless Serum with red light! I apply it before every facial. It is very hydrating and moisturizing."

"I have already repurchased this serum because of how amazing it makes my skin feel! Not sticky at all!"

Ageless Serum

Youth in a Bottle at Your Fingertips

Featured Ingredients

- 💧 **Adifyline® Peptide** clinically proven to increase skin volume and firmness
- 💧 **Niacinamide** to promote brighter, even texture
- 💧 **Plankton Extract** proven to reduce and protect against the effects of prolonged UV exposure with **Green Algae** to enhance the effects of **red light**
- 💧 **BP-Triluronic™ Acid**, a patented blend of hyaluronic acid molecules to dramatically increase hydration
- 💧 **Syn®-Coll Peptide** clinically proven to fight fine lines & wrinkles
- 💧 **Rovisome® Retinol Moist** to support collagen production & reduce the appearance of fine lines and wrinkles
- 💧 **Caffeine** to sooth skin and reduce puffiness.

Benefits

- 💧 **Adifyline® peptide** solution targets specific areas of the face and increases lipid accumulation to **firm skin that is vulnerable to deterioration** with age.
- 💧 **Niacinamide**, also known as vitamin B3, builds proteins in the skin to **lock in moisture**. This ingredient also **minimizes dark spots, redness and other skin conditions**, plus **reduces the appearance of fine lines and wrinkles**.
- 💧 **Plankton extract** is deeply moisturizing and soothing. It provides very **powerful anti-aging, anti-wrinkle, and anti-cellulite properties**. It supplies the skin with **natural minerals, silicon, and vitamins**. The **green algae** in the plankton extract is especially effective for **improving absorption profile of red light therapy**.
- 💧 **BP-Triluronic™ Acid** contains 3 different weights of hyaluronic acid molecules designed to target different layers of the skin. Lower weight molecules **more effectively penetrate the skin to deliver moisture & help carry other beneficial ingredients deeper** into the skin. Higher weight molecules **form a moisture lattice** on the surface of the skin to **lock in moisture and fill fine lines & wrinkles** to provide a **smoother appearance**.
- 💧 **Syn®-Coll**, a patented tripeptide, stimulates collagen synthesis by **mimicking the body's natural mechanism for producing collagen**. This ingredient actively compensates for any collagen deficit to **smooth skin and reduce wrinkle depth**.
- 💧 **Rovisome® Retinol Moist** is formulated to deliver the highest concentration of pure **retinol** to deeper skin layers. **Counteracts signs of wrinkles and supports collagen production**.
- 💧 **Caffeine** has soothing and antioxidant properties to help **reduce puffiness and protect against UV radiation**.

What it is

This serum has the **most powerful combination of skin actives** and **latest technology on the marketplace**. All active ingredient in our formula are patented and at **threshold concentration levels** that **academic journals** and **peer reviewed studies have shown are effective** to cause the desired results. Simply stated, **there's no fluff in this formula**. Use in conjunction with red light therapy to **increase red light absorption and effects**. Designed to be both reparative and preventative. Fragrance free to reduce any possible irritants. This gentle and effective formula will bring you one step closer to your smoothest skin yet.

What it Does

With regular use, you will achieve:

- 💧 Reduced fine lines, wrinkles & dullness
- 💧 Increased hydration
- 💧 More even tone & texture
- 💧 Overall younger, healthier appearance
